

## Maryland Statutes Applicable to Health Insurance

I was helping a practice manager in Frederick today who needed a copy of a Maryland Statute to appeal a claim problem. Below is information on how to view official copies of Statutes you could use to send to a payer or quote when needed. I thought this might also be helpful to you to have.

- Cut and paste the below address into your browser if the hypertext is blocked by our server

<http://michie.lexisnexis.com/maryland/lpext.dll?f=templates&fn=main-h.htm&cp=>

- click at the top left side of the page on the folder for **Maryland Code**
- then scroll down on the left side to **Insurance** and click on that folder
- then scroll down on the left side to **Title 15, Health Insurance**
- then on the right side of the lower page scroll through the subtitles to **Subtitle 10** is where most of the applicable laws are related to claim payment, denials, retrospective review, etc. Section 15 is where most of the laws I reference frequently are located. For example, statutes regarding Retrospective Reimbursement are in Section 15-1008.

I hope this is helpful.
