

Vendor Purchasing Alliances

Spending money wisely is part of every practice's day-to-day operations. FredMed has forged alliances with several vendors based on our clients' needs. Some vendors offer discounts, others offer best-of-breed products and services.

Misys Forms and Supplies Online provides pricing discounts to all FredMed members at www.misysforms.com. Please note: the prices published in the catalog are list prices; the "Online" pricing already reflects applicable discounts. **Shipping is free** for orders over \$50. Misys guarantees that it will **beat competitor pricing** by at least **10%** for **custom forms**.

If you are a current FredMed customer and wish to obtain a catalog or need a login to access the ordering website, please contact **Rick Lawry** at (800) 877-5678 x74189 or send an e-mail to Richard.lawry@misyshealthcare.com

Computer Enhancements, a developer of specialized business efficiency solutions, offers FredMed members **free onsite evaluations** for network cabling, major computer purchases, and to assess changes that can be made to existing databases to streamline your office's operations. FredMed members can buy discounted **10-hour blocks of time** (at the 25-hour rate) for only **\$888**. This can be used for emergency or scheduled on-site services. You can schedule service by visiting www.cesitservice.com/client/Servicecall.htm
